OFFICES
& WORKSTATIONS

Modern workspaces must be able to combine privacy with interaction between colleagues. Codutti offers a curved system of acoustic booths entirely covered in sound-absorbing fabric, available in different colours. The internal parts of the booths are in melamine, with the possibility of integrating a cable hole and a vertebra under the top for the electrical connection, offering a practical and uncluttered solution. This system is ideal for workspaces that require modular spaces, allowing you to create private work areas even in shared contexts. The workspace must encourage both concentration, thanks to private spaces, and collaboration. Codutti produces desks with integrated seating with a functional and modern design, such as the desk with integrated bench, which is a versatile solution for shared spaces, guaranteeing comfort and style. To complete the furnishing of working environments, Codutti also produces customised cabinets, designed to meet every organisational need.

I workspace moderni devono saper coniugare la privacy con l'interazione tra colleghi. Codutti propone un sistema curvato di cabine acustiche interamente rivestite in tessuto fonoassorbente, disponibile in diverse varianti cromatiche. I piani interni delle cabine sono realizzati in melaminico, con la possibilità di integrare un foro passacavo e una vertebra sotto il piano per il collegamento elettrico, offrendo una soluzione pratica e ordinata. Questo sistema è ideale per workspace che richiedono spazi modulari, permettendo di creare aree di lavoro private anche in contesti condivisi. L'ambiente di lavoro deve favorire sia la concentrazione, grazie a spazi privati, sia la collaborazione. Codutti realizza scrivanie con sedute integrate dal design funzionale e moderno, come la scrivania con panca integrata, che rappresenta una soluzione versatile per spazi condivisi, garantendo comfort e stile. A completare l'arredamento degli ambienti di lavoro, Codutti realizza anche armadi su misura, progettati per rispondere a ogni esigenza organizzativa.
